U.S. President's Emergency Plan for AIDS Relief

Partnering to Save Lives Through HIV Epidemic Control

The U.S. government, through U.S. PEPFAR, is proud to partner with the people and Government of South Africa in accelerating South Africa's progress toward achieving HIV/AIDS epidemic control. U.S. PEPFAR supports more than 100 South African organizations working in more than 1500 facilities to reach our shared goals of expanding lifesaving treatment and preventing new infections.
